

"Cut Down Expenses."

A woman knows what a bargain really is. She knows better than a man. "BATTLE AX" is selected every time by wives who buy tobacco for their husbands. They select it because it is an honest bargain. It is the biggest in size and the best in quality. The 10 cent piece is almost twice as large as the 10 cent piece of other high grade brands.

Bresno county, have commenced the wants to trade a good weekly newspaper office. May 27, 1895.

FARM NEWS.

Don't expect to run a poultry ranch and never take a poultry journal.

Pacific coast fruit frequently sells cheaper in New York than it does

Alfalfa has added \$2,500,000 to the income of the farmers of Nebraska the last year.

The hotter the weather the more apt the fowls are to be troubled with bowel complaint.

Chickens fed on corn will not make a satisfactory development, particu-

larly of feathers. In Illinois the dairy Board of Health than ever in the Yakima valley next requires that dairy cows should be year. These two firms spend about

cleaned every day. Oleomargarine is prohibited in 32 states in the Union when colored in and purchasing agents, Portland, ex-

imitation of butter. The California State Diary Bureau extent this season. They predict a is prosecuting an active crusade

against bad butter. The next meeting of the Yambill Horticultural society will be held at

Newberg on Sept. 8. Do you know that a setting hen packed and wrapped and boxed in a

may leave her nest all day and yet tight box, for a week, come out very the eggs make a good hatch? He who is constantly mixing breeds tell that it is the same fruit. Ripen-

your stock fin your pasture without it before, because they grow so won-

being built by O. W. Hurd. The money without labor."

the acreage will not be quite as large as last near, but the quality has every indication of being first-class. The yards which have been cultivated shows an abundance of young hops on the vines, and as yet they are free from pests of all kinds.

Take a look in your hen houses after dark to see how the hens are behaving. If you find them with drooping wings, heads extended and seemingly not able to sit still a moment, the coops need more air and less lice. It is cruelty to confine your fowls in such places.

Now when the pigs are weaned is the time to select the brood sows that must replace some of the old sows. It pays to discriminate well; like will produce like. If the old mother sow is deaf, or has any other weakness. and others of her family lines are similarly affected, refuse all her off;

The benefit to fruit trees of not having to raise a crop of fruit this year will be very great. If nothing serious happens next year in blooming time, the fruit grower will reap a harvest such as never before has been the case. The benefit to the market

winter."

having just returned from an inspec- perience. tion of Lane county, reports the following facts. The number of orchards from 1 to 8 years old, 107. Number of acres from 1 to 8 years old, 1,771. Number of acres of apple orchards from 1 to 8 years old 225. ple orchards.

Lice, fleas and vermin of all sorts, too sweet and leaves a raw after-taste finest quality of grass seeds. are having a hard time of it these Honey produced in a country where progressive days. Their latest enemy the nights are cold is seldom thoroughly ripened. Much honey conthat time it will not check their effects. Dog fennel and many way- 11 3t side weeds, and even some tame flow- EOUND-A bunch of keys. Owner can

Seedless raisins are to be produced M. Reeves, Salem, Or. warning. Nothing more revolutionary was giving the farmers of that place 40 California. It is currently reported fir, ten cords of grub oak and ten cords split erection of a three-story mill in are made from apple juice, and passed Fresno for seeding raisins. The plant lem property. No opposition. Good are made from apple juice, and passed will good such as a sons. Information at this office. off for pure fruit jell. There should will cost \$10,000 and will seed two carbe a law prohibiting this as the law loads a day. The only other mill of the kind in this country is in New York and belongs to Mr. Pettit.

come back loaded from the field, or Wine Association is establishing in FOR SALE OR RENT-40 acres land bees that have gorged themselves for Fresno in connection with the recent purchase of the Madera vineyard by Any poultry breeder who fails to the Swiss-Italian Colony, promises to Wood stumpage can be had. Box 145, Salem see that it pays vastly better in this make a boom in the vineyard indusbusiness of selling eggs and stock to try. The property bought amounts be square and honest than it does to to 640 acres, of which 150 are in wine be crooked and dishonest is a fool as grapes. Three hundred and fifty acres additional are to be set out Frye, Bruhn & Co. and Carstens when the rainy season comes on.

WOMEN are not the only ones who are sensitive about their ages. A man doesn't like to be told that he is getting old. A man doesn't like to get old at all. But worse than getting old, is the appear-ance of age. Health

will be hale and hearty and won't look within twenty years as old as he is. Good digestion and rich, red blood make people look worthful. ok youthful. covery makes rich, red blood. never has got, and never will get over 25 to 50 cents each for his fowls.

Let no swine breeder sing himself to sleep and assure himself that swine plague and hog cholera died with 1895.

Medical Discovery makes rich, red blood. It makes health in the right theory, and in 30 years of practice, it has proved that the beginning—begins by putting the stomach, liver and bowels into perfect order, but it begins its good work on the blood before it finishes with the digestive system. It there is no green thing growing outside of it. Let it be some one's duty and pleasure to furnish him daily out of the abundance. He will repay it, being half of the herd.

The wasco county sheep men who were taken to Portland charged with having herded their sheep on the bees are nearly all filled with honey, and there is but little danger from stinging.

The bones of chickens fed upon a nitrogenous ration are 50 per cent stronger than those fed upon a carbonaccous ration.

If you have the choicest of feed for your stock fin your pasture without the fence and watches his pigs harvest them will wonder why he never tried to be some one's duty and pleasure to furnish him daily out of the abundance. He will repay it, being half of the herd.

The Wasco county sheep men who were taken to Portland charged with having herded their sheep on the Cascade timber reserve has been let out on a \$300 bail with the understanding that they should cease to commit any further trespass.

He who has sowed peas and sits on the fence and watches his pigs harvest them will wonder why he never tried it before, because they grow so won-

your stock fin your pasture without any show for them to get in the shade the result will be "nit."

A new creamery at the Siuslaw is being built by O. W. Hurd. The money without labor."

Dr. Pierce's 1008 page book the "People's Common Sense Medical Advisor," in Plain Language, tells all about the "Golden Medical Discovery," and is a complete family doctor book, promeely illustrated. It will be sent free on receipt of twenty one (at) one cent shares levels and the property of the property being built by O. W. Hurd. The building will be 42x48 feet. The foundation is already completed.

A trip through the hop-growing districts around Brownsville shows that 653 Main Street, Buffalo, N. Y.
